We use the *Candle Bible for Toddlers* by Juliet David and Helen Prole with corresponding songs and activities that focus on Jesus being the center of the Bible, salvation history and our lives. Stories are assigned on a rotating seasonal basis. During Ordinary Time, we cover stories throughout the Bible. During the Advent and Christmas seasons, the kids learn about the coming of Jesus and fulfillment of prophecy. During the Lenten and Easter seasons, kids learn about the life, death and resurrection of Jesus.

The songs played and sung will be a compilation of 102 classic Christian preschool songs like “Jesus Loves Me,” “This Little Light of Mine,” “The B-I-B-L-E,” and many other common choruses and hymns.

The activity most weeks will be a coloring sheet that corresponds to the Bible story being read. The coloring sheet will be sent home with the child regardless of whether or not it was colored.

The lesson will end with the teachers praying with the kids, followed by free play time until the service is over and the children are picked up.
